All insurance matters from Statehood, 1889 until 1909 were handled by the State Auditor's Office: Chapter 12, Session Laws Eleventh Legislative Assembly, 1909, Approved February 13, 1909, created the office of the Commissioner of Insurance and a Department of Insurance was formed.

Annual reports on Insurance were prepared and published by the State Auditor for the years 1906, 1907 and 1908 and by the Insurance Department since that time.

April 9, 1888, seems to be the first record of a Fire Insurance Company being formally admitted to Montana, then a Territory; the Fire Association of Philadelphia holds this honor.

The Northwest Mutual Life Ins. Co., Milwaukee, Wis., was admitted March 27, 1882, which is the first recorded date of admission of a Life Company.

UNAUTHORIZED INSURANCE

By

JOHN J. HOLMES

State Auditor and Commissioner of Insurance

REASONS WHY INSURANCE BY COMPANIES LICENSED IN MONTANA IS
PREFERABLE TO INSURANCE OF COMPANIES NOT LICENSED IN THE
STATE.

Non-admitted companies do not pay any fees and taxes into the State of Montana for doing business therein.

The Insurance Department of this State has no supervision over their operations.

The policies of the company are not reviewed in any way by the Insurance Department of the State of Montana.

Not being permitted to have agents in Montana, they have no facilities for the prompt adjustment of their claims, such adjustments are made through the mails.

This Department has no jurisdiction and could be of no assistance whatsoever to the insured in case a dispute arises over the settlement of a claim.

State courts cannot obtain jurisdiction over non-admitted companies as Service of Process cannot be made on these companies in the State of Montana.

Federal courts will not assume jurisdiction on a cause of action arising on the greater number of claims as the normal claim generally does not fall within the jurisdictional limits of the Federal Court.

An insurance company duly licensed has duly licensed agents within the State.

REMEMBER—When buying insurance you get just what you pay for. Cheap policies are limited in extent of protection given holder of the contract. It is one thing to pay \$3 for \$5,000 insurance coverage and quite another thing to collect \$5,000 on a \$3 policy.
